Sub: Submission of Technical Compliance of CSP services

Ref: Tender No.: E-ANGADI-ST-SDC-2026-0034 (**"RFP"**)

Dear Sir,

We, Amazon Web Services India Private Limited (**"AWS India"**) are a cloud service provider, and we have Cloud Service Provider (CSP) empanelment from the Ministry of Electronics and Information Technology (MeitY) for cloud services offered from the AWS Asia-Pacific (Mumbai) and AWS Asia Pacific (Hyderabad) Regions.

Please find below our responses with respect to the technical requirements mentioned in "Annexure – 7 Technical Compliance" of the aforementioned RFP. Our responses in the Column titled "Compliance Y/N" are subject to the explanations, and contents of the URLs provided in the columns titled "Native Service Names and URL" and "CSP Website URL of the Service" and may depend on your choice of services. Please note that our responses are current as of the date of issuance of this letter, and subject to change, given that AWS is constantly adding new capabilities so our customers can leverage latest technologies to experiment and innovate more quickly. Please refer to a) the explanations provided against each compliance, and b) AWS Documentation (https://docs.aws.amazon.com/#general_resources) for the latest version of user guides, developer guides, tutorials, and general resources on our service offerings.

Notwithstanding anything contained in this letter or anywhere else, AWS cloud services are offered on a self-service and pay-as-you-go-basis, and that the selected bidder/managed service provider is solely responsible for complying with the RFP, and also has complete control on the choice of AWS Region, choice of AWS services, provisioning/scaling-up of the AWS services at any time during design/development/implementation and subsequent operations and maintenance phase to meet the conditions of the RFP.
