n) The Contractor shall be fully and completely responsible to ELCOT and the End User for all the deliveries and deliverables.

o) Any Bidder who is blacklisted by ELCOT or any State or Central Government or its agencies shall not be eligible to bid for the Tenders of ELCOT. Bidder shall give an undertaking in this regard.

p) In case Bidder conceals any fact that materially affects the tender, the bid will be summarily rejected

q) In case any show cause notice has been issued by ELCOT for poor performance to any of the bidder, then ELCOT reserves the right to disqualify the bid submitted by such Bidder.

2. Pre-Bid meeting and clarifications

a) Pre-Bid meeting shall be conducted as mentioned under Tender Schedule. Bidder can seek clarifications on the published Tender document during the pre-bid meeting. All clarifications shall be requested in the format in **Annexure - 6**

b) Pre-bid meeting is an opportunity to express any issues or concerns in a transparent manner. The prospective bidders may raise queries on any matter related to specifications, conditions or any other aspects of the tender. Hence, the prospective bidders are advised to raise any issues **during the pre-bid meeting only**, rather than taking any other modalities.

c) The prospective Bidder shall have to ensure that their queries/clarifications are mailed to ELCOT in the prescribed format and only those queries/clarifications addressed to the designated e-mail in prescribed format shall alone be considered.

d) All queries received **till the date of pre-bid meeting** will be given a consolidated reply as a part of pre-bid response.

e) All other queries received to the designated e-mail after the date of

pre-bid meeting will be responded separately, on a later date, preferably before 48 hours before opening of tender.

f) No queries received within 48 hours before the scheduled tender opening time shall be entertained or responded. Bidder shall have no right to make any claims based on any query raised in this manner.

g) No queries received in any other manner or received at any other time other than specified above or received in any email other than the designated email shall not be treated as a 'query' for the purpose of this tender. No response will be given to such communications and no person can have any claims in this regard.

3. Amendments to the Tender

a) ELCOT may amend the Tender document as per requirements or wherever ELCOT feels that such amendments are absolutely necessary. Amendments also may be made in response to the queries by the prospective Bidder.

b) The responses given for pre-bid query, corrigendum, addendum or any amendments shall form part of the tender and shall be notified in https://tntenders.gov.in from time to time.

c) The Bidder shall periodically check for the amendments or corrigendum or information in the websites till the closing date of the Tender. ELCOT shall not make any individual communication to the bidders and shall in no way be responsible for any ignorance pleaded by the Bidder.

d) No clarifications would be offered by ELCOT within 48 hours prior to the due date and time for opening of the Tender.

e) ELCOT at its discretion may or may not extend the due date and time for the submission of Bids on account of amendments.

f) ELCOT is not responsible for any misinterpretation of the provisions of this Tender document on account of the Bidder's failure to keep them updated of the Bid documents on changes announced in the website.

4. Language of the Bid

The Bid prepared by the Bidder as well as all correspondence and documents relating to the Bid shall be in English only. The supporting documents and printed literature furnished by the Bidder may be in another language provided they are accompanied by an accurate translation in English duly notarised, in which case, for all purposes of the Bid, the translation provided by the Bidder shall govern. Bids received without such translated copies are liable to be rejected.

5. Bid Currency

Price shall be quoted in Indian Rupees (INR) only and payment shall be made in Indian Rupees only. Exchange rate risk and all other similar risks, if any, shall be borne by the bidder.

6. Labour Laws Compliance

The Contractor shall be solely responsible for payment of remuneration to the employees employed for the performance of the obligations and to comply with the Rules and Regulations as laid down in Payment of Wages Act, 1936, Minimum Wages Act, 1948, Workmen's Compensation Act, 1923, Industrial Disputes Act, 1947, Employees State Insurance Act, 1948, Contract Labour (Regulation and Abolition) Act, 1952, Payment of Bonus Act, 1965, Employees Provident Funds and Miscellaneous Provisions Act, 1952, Shops and Establishment Act, Factories Act, 1948 and all the applicable Laws from time to time. Any consequences arising due to non-compliance of the provisions as specified above shall be the sole responsibility of the Contractor. The relationship between the parties is on principal-to-principal basis and cannot be construed as partnership, agency, delegations or contract labor, etc.

7. Conflict of Interest

Bidder shall furnish an affirmative statement as to the absence of, actual or potential conflict of interest on the part of the Bidder due to prior,

current, or proposed Contracts, engagements, or affiliations with other Organizations of the State Government. Additionally, such disclosure shall address any and all potential elements (time frame for service delivery, resource, financial or other) that would adversely impact the ability of the Bidder to complete the requirements as given in the Tender document. Declaration to this effect shall be submitted by the Bidder in the prescribed format given in the Tender document.

8. Letter of Authorisation

Letter of Authorisation or Power of Attorney from the Board of Directors / Competent authority shall be submitted in the Technical Bid, failing which the Bids shall be summarily rejected.

9. Tender Validity

a) The offer submitted by the Bidder shall be valid for a period of **90 days** from the date of opening of Tender.
b) The validity of the Bids shall be extended for such period as mentioned in the Act and Rules when extension is sought by the Authority.

10. Contacting Tender Authorities

a) Bidder shall not make attempts to establish unsolicited and unauthorized contact with the Tender Accepting Authority, Tender Inviting Authority or Tender Scrutiny Committee after the opening of the Tender and prior to the notification of the Award.
b) Any attempt by any Bidder to bring to bear extraneous pressures on the Tender Accepting Authority or Tender Scrutiny Committee shall be a sufficient reason to disqualify the Bidder.
c) Notwithstanding anything mentioned above, the Authority may seek bonafide clarifications from Bidder relating to the Tenders submitted by them during the evaluation of Tenders. The bidder is bound to furnish the clarification sought by ELCOT and failure to do so may lead to summary rejection of the tender.

11. e-Tender Procedure

a) Tender document is uploaded in the e-Tender portal https://tntenders.gov.in. The prospective Bidder shall register themselves in the e-Tender Portal (https://tntenders.gov.in) and submit the Bids electronically through the e-Tender portal.

b) It is mandatory for the Bidder to possess a valid Class -3 Signing and Encryption Digital Signature Certificate in the name of the Tender submitting authority to complete the e-Tender Bid process as per the provisions of Government of India IT Act 2000 with latest amendments.

c) Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site https://tntenders.gov.inunder the link "Information about DSC".

d) The website has user manuals with detailed guidelines on enrolment and participation in the online Bidding process. The user manuals can be downloaded for ready reference.

e) The Bidders are requested to download the e-Tender help manual and user manuals from the Portal for reference.

f) The registered Bidder can log into the e-Tender portal and download the Bid Forms and Tender document /corrigendum as applicable and go through them carefully.

g) Bidder shall go through the Tender documents and get ready with all relevant documents in PDF/XLS/RAR formats as indicated therein and then have them uploaded against each category. In the Technical Bid, Bidder may attach an index page wherever necessary, in the beginning, which indicates the details of the files/documents that follow the index page against Technical Bid content indicated. This shall also help for easy reference later.

h) While scanning the Bid documents to convert to PDF, Bidder shall scan the page in 65 to 100 dpi mode, to get a readable page after scanning

and also the size of the document shall also be lesser. For pages in text, it is advised to use 65 dpi mode and for pages with images, 100 dpi mode.

i) Bidder shall be ready with the Technical Bid and Price Bid in filled form well in advance to avoid last minute submission and once the bids are ready in all aspects, they may choose the freeze option to submit the Bid finally and thereafter they shall get a **Bid acknowledgement receipt** which is the final end, indicating the Successful submission of the Bid.

j) The Technical and Price Bids shall be submitted separately using the Digital Signature Certificates.

k) Bidder can do the resubmission of the Bid any number of times, either Technical Bid or Price Bid or both till the closure of bid.

l) The Bids shall be submitted online not later than the date and time specified in the Tender Schedule or Corrigendum if published. E-Tender portal shall automatically lock the date and time exactly on the date and time.

m) Even if the Bid submission is in half way through during the closing date and time, submission would not be possible. Hence the Bidder should be cautious to submit the Bids well in advance to avoid failures in the submission of their bids.

n) ELCOT shall not be responsible for the failure of the Bidder to submit the Bids due to any reason.

o) For all Tender processing activities, the server time indicated at the top of the e-Portal, while doing Bid submission/Tender opening activities shall be final. The Local system time shall not be taken into account in such case.

p) The e-Tender system shall issue a Bid **acknowledgement receipt** which is the final proof for the Successful Bid submission.

q) Bidder may contact the Helpdesk at National Informatics Centre for support on the Tender portal.

12. Preparation and Submission of Bids

a) Bidder should examine all Instructions, Terms and Conditions and Technical specifications given in the Tender document. Failure to furnish information required by the Bid or submission of a Bid not substantially responsive in every aspect shall be at the Bidder risk and may result in rejection of Bids.

b) Any bid with conditions other than those specified in the Tender document is liable to be summarily rejected. No modification by the Bidder in any of the conditions shall be permitted.

c) The Bidder shall duly fill, sign and stamp on all pages of the Tender documents, all statements, certificates uploaded by them, owning responsibility for their correctness/authenticity. Not signing in any of the document may lead to rejection of the Bid.

d) The Bid shall contain no inter-lineation, erasures or overwriting except as necessary to correct errors made by the Bidder in which case such corrections shall be counter signed by the Authorised person with date.

13. Submission of hard copy of bid document

a) The bidders are requested to handover a hardcopy of the tender document along with annexures scanned and uploaded by them in the website **(excluding price bid form)** to ELCOT during bid opening, without fail.

b) This is only for the sake of convenience of evaluation and shall not be treated as a tender document under TNITT Act or Rules.

c) No bid shall be disqualified merely for non-submission of hard copy.

d) In case of any discrepancy between hard copy and the scanned copy submitted in the e-tender portal, **only the document/ data submitted in the online portal will be considered as valid.**

14. Technical Bid Form

a) Bidder has to upload the relevant documents in the format, as sought in the Tender against each Item. The Bidder has to verify each uploaded document and sign the same using the Digital Signature Certificate (DSC) before final submission of the bid.

b) The Technical Bid Format shall not be changed or altered or tampered. If the Bid format is found to be tampered/altered, the Bids shall be summarily rejected.

c) The Technical Bid documents shall not strictly contain any Price indications, failing which the Bids shall be summarily rejected.

d) The Technical Bid format as given in the Tender shall be filled and signed using the DSC and the scanned copy in the prescribed format shall be submitted.

e) The supporting documents and other documents shall be submitted as.PDF in the Technical Bid.

15. Price Bid Form

a) Bidder shall submit a Price Bid letter in PDF in the format annexed.

b) The Price Bid Form called as the Bill of Quantity (BoQ) shall be in spread sheet format (xls). The original BoQ shall be downloaded from the Tender site, filled in at the appropriate places indicated in offline and then it has to be uploaded with the same name against the Price Bid option. The BoQ has to be verified and then signed using the DSC before final submission.

c) The Price Bid Form shall not be changed or altered or tampered. If the Bid form is tampered/altered, the Bids shall be summarily rejected.

d) The Price Bid Form shall contain only price offers.

e) The cost quoted by the Bidder shall include cost and expenses on all counts viz., cost of equipment, materials, tools, software, techniques, methodologies, manpower, supervision, administration, overheads, travel, lodging, boarding, in-station & outstation expenses, etc., and

any other cost involved in the supply.

f) The Bidder shall give the total Price with break up details of all Levies, Taxes & duties, Surcharges, EPF, ESI, Packing, Forwarding, Freight and insurance, etc.

g) The cost of the Comprehensive Annual Maintenance shall not be greater than 10% of the basic cost of the Item/Solution for any year.

h) The negotiated Price shall be kept firm by the Successful Bidder for a period specified in the Tender. The Successful Bidder should keep the Price firm during the period of Contract including period of extensions, if any.

i) Escalation of cost shall not be permitted during the said periods or during any period while providing services whether extended or not for reasons other than increase of duties / taxes payable to the Governments in India within the stipulated delivery period. The Bidder should particularly take note of this factor before submitting the Bids.

j) The Price finalised after negotiations should be kept valid during the Contract period including extensions and no escalation in the final Price shall be entertained including reasons due to Foreign Exchange fluctuations.

k) Exchange Rate fluctuations (Foreign Currency Rate Exchange) cannot be cited as reasons for the delay or dishonour of LoA.

16. Price Adjustment Clause

As per TNTIT Rules 14 (8), the price adjustment shall be applicable as follows.

"(8) The tender documents shall include a price adjustment clause to reflect any changes either upward or downward in major cost components such as labour, equipment, material and fuel, based on a prescribed formula in the case of large contracts where the period of execution is likely to exceed eighteen months."

Subject to the above, the Price Adjustment shall be applicable in case of availability of any electronic hardware price index when proposed by appropriate Government authority.

17. Cost of Bidding

The Bidder shall bear all costs associated with the Preparation, Submission and Evaluation of Bids including the cost for Sample evaluation and Demonstration. ELCOT/End User shall in no way be responsible or liable for the charges/costs incurred regardless of the conduct or outcome of the Bidding process.

18. Earnest Money Deposit (EMD)

a) EMD amount as specified in the Tender Schedule shall be during bid submission by online payment through e-Tender Portal **or** through electronic Bank Guarantee (e-BG) through e-Tender Portal (https://tntenders.gov.in) only.

b) EMD will be auto-refunded from the portal itself, subject to tender conditions, on execution of agreement with the successful bidder.

c) Documentary proof of having deposited the EMD shall be submitted under Technical Bid.

d) If the Successful Bidder fails to act according to the Tender conditions or backs out or fails to accept the LOA, after the Tender has been accepted, the EMD shall be forfeited by ELCOT.

e) If the Successful Bidder fails to remit the Security Deposit, or sign the Contract the EMD remitted by them shall be forfeited by ELCOT and the Tender submitted by the Bidder shall be held void.

f) The Earnest Money Deposit (EMD) of the Successful Bidder shall be returned when the Successful Bidder furnishes the required Security Deposit and after confirmation of the genuineness of the Bank guarantee from the issuing Bank in case of Bank Guarantee.

g) EMD of the unsuccessful Bidder shall be returned after Signing of Contract with the Successful Bidder.

h) Bidder with valid MSME certificate on the date of opening of Bids is exempted from the Payment of EMD. Copy of the MSME certificate shall be submitted in the Technical Bid. Udyam Registration Number certificate should broadly cover the Equipment/Service called for in the Tender.

   Note: This benefit shall not be applicable for traders, resellers, etc.

19. Withdrawal of Bids

No Bidder shall be allowed to withdraw the Tenders after submitting the Bid. Any violation shall lead to forfeiture of EMD and such other consequences as may be provided.

20. Resubmission of Bids

A Bidder may submit a modified Bid before the last date for receipt of Bids. Provided that where more than one Bid is submitted by the same Bidder, the lowest eligible Price Bid shall be considered for evaluation.

21. Bid Opening

a) The Bid shall be opened on the date and time as specified in the Tender schedule in the presence of that Bidder, who chooses to be present against production of an authorisation letter from the Bidder.
b) Maximum of two representatives for each Bidder would be allowed to attend the Tender opening.
c) If the date of opening of the Bids happens to be holiday, the Tenders shall be opened on the next working day at the same time and the same venue.

22. Initial Scrutiny

Initial Bid scrutiny shall be conducted and incomplete details as given below shall be treated as non-responsive.

If Tenders are;

a) not submitted in two parts as specified in the Tender
b) received without the Letter of Authorisation
c) received without EMD amount except Bidder with valid MSME certificate
d) found with suppression of information or incomplete information
e) furnished with subjective and conditional offers.
f) submitted without supporting documents in compliance to the Eligibility Criteria and Evaluation Criteria
g) non-compliance of any of the clauses stipulated in the Tender
h) lesser validity period
i) All responsive Bids shall be considered for further evaluation. The decision of ELCOT shall be final in this regard.

23. Technical Evaluation

a) Tender Scrutiny shall be undertaken after the due date of submission of Bid.
b) The Bids shall be evaluated based on the eligibility criteria and evaluation criteria given in the tender document.
c) The Bids which did not meet the eligibility criteria and Evaluation Criteria shall be summarily rejected and further evaluation shall not be carried out.
d) If required by the ELCOT/end user, evaluation of samples of the item/demonstration of solution offered shall be undertaken as a part of the evaluation.
e) In such cases, Bidder must submit Samples as required in the Tender document at its own cost and effort within the stipulated time specified by ELCOT.
f) Any bidder failing to provide product demonstration on stipulated date and time shall be disqualified without any further notice. No extension or change of date shall be permitted.
g) ELCOT may waive any minor infirmity or non-conformity or irregularity of a substantially responsive Bid which does not constitute a material

deviation, provided such waiver does not prejudice or affect the relative ranking of the other Bidder.

h) For those Bidders who have already worked or working with ELCOT, their previous performance in ELCOT would also be one of the criteria for selection. If any unsatisfactory performances of the Bidders are found, their Bids may be rejected. Unsatisfactory performance is defined as

   i. Non-responsiveness after getting the LoA
   ii. Delay in supply, installation of the ordered Items etc.
   iii. Lack of communication about the delay in deliveries, Installation etc.
   iv. Poor support during warranty and CAMC period.
   v. Delay in providing services citing reasons of OEM's support issues.

j) For all the cloud services being quoted, the bidder has to ensure that all products/services being offered are genuine and comply to the licensing policy of respective OEMs.

k) Monitoring tools shall not capture or send Government data to any other establishment over Cloud.

l) The Bidder shall have to enter in SLA (Service Level Agreement) with Department. Bidder should have ability to Integrate with Digital Certificate/signature and other similar services like email/SMS obtained by Government Departments from Third party.

m) The ownership of Data as well as application shall be of the Departments and Departments can ask for full copies of Data and applications at any time.

n) Bidder shall provide complete inter-operability support with regard to available APIs, data Portability, application portability in case ELCOT decides to Change the cloud service provider including DR or

backups.

o) No data shall be shared with any Third Party without written approval of Competent Authority unless legally required by Court Orders.

p) Prior Intimation (at least 15 days) shall be given to the Government Department by Service provider for any scheduled maintenance of servers.

q) The Bidder shall provide along with Invoices, consumption report to supplement the Invoices.

r) The bidder in case of MeitY empaneled CSP proposes solutions via authorized partner, the CSP can authorized multiple partners to participate in the tender. However, the authorized partner should participate in this tender with only a single CSP.

3.2 Scale-up and scale-down of resources

a) Scaling of resources - Either advance alerts or post implementation alerts should be provided to the user Department (in case of autoscaling wherein advance alerts is not possible).

b) In case the Government Department, does not have skilled resources or expertise to migrate to cloud or manage the provisioned environment, the Government Department can avail the managed services from the bidder/ CSP which is a part of this tender.

c) It is essential that the Government Department:

i. Monitors the operational activities to have the complete view into the provisioned cloud services and their configurations.

ii. Review and validate the security configurations, review the notifications and patches released by the CSP.

iii. Have the visibility into the provisioned infrastructure

(including the utilizations) so that there is no over-provisioning leading to excess payments to the CSP.

d) The bidder in consultation with the Government Department and ELCOT will strive to optimize the provisioned resources by understanding the usage patterns and recommending termination of the under-utilized instances through continuous optimization. The bidder is required to give timely suggestions for achieving such optimizations.
e) The bidder may also discuss the possibilities of application re-engineering using advanced cloud features (e.g., auto-scaling, content delivery network) and additional PaaS services where possible to get further cost optimizations (e.g., Move large blob object and media files to Object storage and store a pointer in your existing database; migrate archival data to cold storage, etc).

3.3 Disaster Recovery Services

The CSP shall provide business continuity and disaster recovery services to meet the RPO and RTO as per the service levels established by the Government Department. In case the primary environment goes down, the CSP shall scale up the DR environment for the services to be delivered without any effect on the performance. The charges shall include the cost of VM for running replication tool, storage, agent cost for replication, connectivity between DC & DR and any other requirement to get functional DR. The charges incurred during the time of availing DR will be paid as per the resources provisioned as per the unit pricing of VMs for that duration.

3.4 Migration Services

a) Migration Services are not a part of Cloud Managed Services and will have to be taken separately even if Cloud Managed Services have been opted. If the Government Department does not have expertise to migrate their existing applications to Cloud, the Government Department can procure the cloud migration services from the bidder which shall include the following:

b) Application and Infrastructure Discovery & Portfolio Analysis:

   i. Formulate a baseline of the Government Department's technical environment including inventory of both applications and infrastructure. This should also include development/testing environments in addition to the production environment.

   ii. Document the technical details of the applications including technical architecture, integration with external solutions, underlying technologies / platforms, and underlying software. For each of the applications, capture the logical and physical deployment architecture providing the details of various architectural components (e.g., load balancer, firewall).

   iii. Identify the applications and their dependencies on other components and services. Create a dependency tree that highlights all the different parts of the applications and identify their upward and downstream dependencies to other applications.

c) Define resource requirement and Security Architecture for Cloud

   i. Estimate the cloud resource requirement based on the application, current / anticipated server, storage configurations and workloads.

   ii. Define the indicative or the minimum requirements need to be provided for each kind of environment (Development, QA, Training, Staging, and Production - as applicable for the

project) that is planned on cloud.

iii. CSP should propose and, in consultation with the department, finalize the security architecture for the workloads being migrated to cloud.

3.5 Cloud Managed Services

a) In case the Government Department, does not have expertise to manage the provisioned cloud services, the Government Department can procure the cloud managed services (e.g., provisioning, security configuration, monitoring) from the bidder. The categories compute, DR, DB as a service, backup, network, storage, security, monitoring, support service & migration are to be quoted mandatorily for bid submission

b) These services exclude Migration Services which need to be procured separately by the Government Department. The Exit Management services shall be the responsibility of the bidder.

c) The bidder should have defense in depth mechanism to ensure infrastructure resources from external and internal threats and also to ensure accountability, traceability, and post-incident forensics.

d) In case of security breach, bidder should be able to recover the application/data from the backup and restore it to normal state.

e) The bidder should have capability to have a safe and secure data in rest and in transit mechanism.

f) The scope of Cloud Managed Services includes the following:

i. Patch & Configuration Management (Remote OS Administration): Manage the instances of compute, storage, and network environments. This includes department- owned & installed operating systems and other system software deployed by the CSP.

ii. User Administration: Implement Identity and Access

Management (IAM) that properly separates users by their identified roles and responsibilities, thereby establishing least privilege and ensuring that users have only the permissions necessary to perform their assigned tasks. Implement multi-factor authentication (MFA).

iii. Security Administration: Configure, monitor and regularly review the security services/ configurations for the workloads deployed on Cloud. Monitor the environment for unauthorized activity / access to the systems and conduct regular vulnerability scanning and penetration testing of the systems.

iv. Monitoring Performance and Service Levels: Provide and implement tools and processes for monitoring the availability of assigned applications, responding to system outages with troubleshooting activities designed to identify and mitigate operational issues.

v. Backup (if procured by the Government Department): Configure, schedule, monitor and manage backups of all the data including but not limited to files, images and databases as per the policy finalized by Government Department. Restore from the backup where required.

vi. Training: Provide training to the officials of the Government Department on request. The training may be provided online or offline as per the requirements of the Government Department. The infrastructure for the offline training will be provided by the Government Department.

vii. Support for third party audits: Enable the logs and monitoring as required to support for third party audits.

viii. Miscellaneous: Advise on optimal operational practices, recommend deployment architectures for cloud infrastructures, design and implement automated scaling processes, day-to-day and emergency procedures, deploy and monitor underlying cloud services, performance reporting and

metrics, and ensure the overall reliability and responsive operation of the underlying cloud services through both proactive planning and rapid situational response.

ix. Provide the regular reporting to the Government Department: Security assessment report with respect to security configuration gaps and possible improvements to the security and compliance of cloud services on a quarterly basis. In case any gaps / scope for improvement are identified, the same needs to be discussed with the Government Department and resolved in mutual consultation with the Government Department, either as fixed and hence no longer a gap or acceptable risk and hence no further action required.

3.6 SLA and Penalties

The SLA parameters shall be monitored on a monthly basis as per the individual SLA parameter requirements. However, if the performance of the system/services is degraded significantly at any given point in time during the contract and if the immediate measures are not implemented and issues are not rectified to the complete satisfaction of Government Department, then ELCOT will have the right to terminate the contract.

i. The full set of service level reports should be available to the Government Department and ELCOT on a monthly basis or based on the project requirements in work order.

ii. In case these service levels cannot be achieved at service levels defined in the agreement, Department shall invoke the performance related penalties. Payments to the successful bidder will be linked to the compliance with the SLA metrics laid down in the agreement.

iii. In case multiple SLA violations occur due to the same root cause or incident then the SLA that incurs the maximum

penalty may be considered for penalty calculation rather than a sum of penalties for the applicable SLA violations.

iv. GST as applicable shall be charged on the Penalties on SLAs.

S. No.	Service Level objective	Measurement Methodology	Target/Service level	Penalty
Availability/Uptime				
1.	Availability/Up time of cloud services	Availability (as per the definition in the SLA)	Availability for each of the provisioned resources: >=99.5%	Default on any one or more of the provisioned resources will attract penalty as indicated below.
				• < 99.5% & >= 99.25% (10% of the Monthly Payment) • < 99.25% and >= 99.00% (20% of the Monthly/quarterly Payment) • <99.00% (30% of the Monthly/quarterly Payment) • In case the services are not available for a continuous period of 8 Business Hours on any day, penalty shall be 100% of the Monthly/Quarter

				ly Payment of the Project.
Support Channels – Incident and Helpdesk				
2.	Response time	Average Time taken to acknowledge and respond, once a ticket/incident is logged through one of the agreed channels. This is calculated for all tickets/incidents reported within the reporting month.	95% within 15 minutes	< 95% (1% of the Monthly Payment for each percentage drop below 95%)
3.	Time to Resolve Severity 1	Time taken to resolve the reported ticket/incident from the time of logging.	For Severity 1, 99% of the incidents should be resolved within 30 minutes of problem reporting	• < 99% & >= 97% (5% of the Monthly Payment) • < 97% & >= 95% (10% of the Monthly Payment) • < 95% (15% plus 1% of the Monthly Payment for each percentage

				drop below 95%)
4.	Time to Resolve - Severity 2, 3	Time taken to resolve the reported ticket/incident from the time of logging.	95% of Severity 2 within 4 hours of problem reporting AND 95% of severity 3 within 16 hours of problem reporting	• < 95% & >= 90% (2% of the Monthly Payment) • < 90% & >= 85% (4% of the Monthly Payment) • < 85% (6% plus 1% of the Monthly Payment for each percentage drop below 85%)

v. Maximum cumulative penalty cannot exceed 10% of the work order value after which the Government Department may immediately cancel the work order and forfeit the Performance Security submitted by the bidder.

vi. The above-mentioned SLAs are subject to the Government Department requirement. If Government Department request for more stringent SLA's, then it is responsibility of the bidder to provide the SLAs at no extra cost.

Severity Level	Description	Examples

Severity 1	Environment is down or major malfunction resulting in an inoperative condition or disrupts critical business functions and requires immediate attention. A significant number of end users (includes public users) are unable to reasonably perform their normal activities as essential functions and critical programs are either not working or are not available	1. Non-availability of VM. 2. No access to Storage, software or application
Severity 2	Loss of performance resulting in users (includes public users) being unable to perform their normal activities as essential functions and critical programs are partially available or severely restricted. Inconvenient workaround or no workaround exists. The environment is usable but severely limited.	Intermittent network connectivity
Severity 3	Moderate loss of performance resulting in multiple users (includes public users) impacted in their normal functions.	

3.7 Provisioning of Cloud resources

3.7.1 Compute

Virtual Machines (VM) provide the basic IT Infrastructure that can be used by the Government Organizations to run their variety of workloads such as compute-intensive workload, memory-intensive workload, general-purpose workload, etc. All Virtual Machine packages, listed below, are Managed Virtual Machines. CSPs are required to list their prices keeping this in mind. These VMs will be provided with following mandatory inclusions without any extra cost. This service can be used by the Government Organizations to access the virtualized servers offered by the Cloud Service Providers.

Mandatory requirement of Virtual Machine		
S. No.	**Category**	**Minimum inclusion**
1.	Processor	Minimum frequency of 2.0 GHz **or higher**
2	Storage	· 100 GB of Hard Disk Drive (HDD) storage, OR · 100 GB of Solid-State Drive (SSD) storage as required by the Government Organization (additional storage, if required, may be procured separately). **HDD for boot volume and SSD for additional storage volumes is preferred.**
3.	Operating System	Any supported version of the following operating systems or as per the requirement specified by the Government Department
		Microsoft Windows Server
		Red Hat Enterprise Linux
		Oracle Linux
		SUSE Linux Enterprise Server
		CentOS Operating System
		Ubuntu Operating System
4.	Network	Subnet/network segment capability should be available
		VM should be firewall protected
		Mapping of Private IPs to Public IPs for inbound/outbound traffic

5.	Security	Antivirus
		Identity and Access Management including Single-Sign-On for managing access to Cloud services of the CSP
		Encryption of data associated with VM
		System log should be available
		Multi-factor authentication
		Hardening & patch management of underlying infrastructure by CSP
6.	Backup	Entire VM data backup must be available
		Backup must be taken at least every week
		Backup of VM must be retained for at least 30 days.
7.	Auto scaling	Ability to auto scale at least horizontally without bringing the virtual machine down
8.	Service Level Agreement	Virtual Machine Uptime SLA of at least 99.5%
9.	Scheduling	Scheduling features such as auto start, auto shut-down, etc., without requiring manual intervention
10.	Turnaround Time	Resource (vCPU, storage, etc.) scaling up and down should be completed within 30 minutes. Alert may be provided.
11.	Virtual Machine Administration	Basic monitoring tool and dashboard including admin access

3.7.2 Storage

a) Block Storage must provide 99.9% SLA, Block Storage should support volume snapshot

b) Object Storage must provide strong read after write consistency, should be unlimited scale storage, support intelligent data tier on the basis of data use, should also have built in capability to analyze storage access patterns to help you decide when to transition the right data to the right storage class, support versioning and MFA for deletion, storage should have integration with HSM and key management solutions to provide inherent capability of encryption

c) File Storage should span across multiple availability zone, Backup Storage should be available Archival Storage should be available to store information which is accessed infrequently, Retrieval of Archival Storage available, All the storage should support Data Encryption.

3.7.3 Managed Database as a Service

a) Database as a Service is a managed service offering by the Cloud Service Providers wherein in operating system and all low level components such as drivers, I/O, network, etc. are managed and optimized by the Cloud Service Providers. All objects created using "Database as a Service" are transparent to the underlying operating system. Activities such as OS management, antivirus, encryption, hardening, etc. are included under this service. Automated failover, backup & recovery, isolation & security, scaling, automated patching, advanced monitoring, and routine maintenance are responsibilities of the CSP. Each database as a service will be offered by the Cloud Service Providers with a minimum storage inclusion of 50 GB HDD or 50 GB SSD. CSPs shall be required to provide a transparent view of the database activities managed by them.

b) CSPs may also offer database licenses to Government Organizations which they can use in that particular CSP's Cloud environment. These are

unmanaged databases. All these databases would have enterprise support included.

3.7.4 Network Service

a) Virtual Network Service may be used to logically segregate the computing resources, such as virtual machines, databases, etc., within a CSP's cloud environment.

b) All CSPs provide virtual network / subnet capability by default to their customers without any extra cost. However, resources used within the virtual network / subnet may be charged by the CSPs.

c) Securely deliver data, videos, applications, and APIs to customers globally with low latency, and high transfer speeds.

d) Application Load Balancer, Network Load Balancer, VPN Gateway service, VPN Gateway – Point to Site Connection, Firewall, Public IP, Web Application Firewall (WAF) should be available and the cost for these services will be discovered. The WAF must also provide protection against the OWASP top ten risks.

e) CDN service may be used to securely deliver audio, video, images, data, application, etc., quickly by using the servers closest to each user. CDN reduces load time and saves bandwidth. Monthly price per GB of Outbound Data Transfer will be discovered. MPLS connectivity may be used to have a dedicated connectivity between Government Organization's office / data center with CSP's Cloud environment. Port Charges will be discovered in this Tender. The User Department shall be required to pay separately to the network service provider.

3.7.5 Security

CSP must provide native services for security

a) Identity & access management such as managing user access and encryption keys, Single Sign on Service for Cloud, Centralized Governance and Compliance Management

b) Detection Control such as AI Powered Threat Detection Service, Unified Security and Compliance Dashboard, Vulnerability Assessment, Record and Evaluate Configuration, Track API and User Activity,

c) Infrastructure Protection such as Network Firewall with IPS capability, Web Application Firewall, DDoS protection, Central Management of Firewall Rules, Data Protection such as Sensitive Data Discovery and Protection, Encryption Key storage and Key Management (FIPS compliant),

d) FIPS Compliant Fully managed scalable Hardware Security Module: Centralize Provision, manage, and deploy public and private SSL/TLS certificates, Central Store to Encrypt, Rotate, manage and retrieve secrets HSM - Should support FIPS 140-2 Level 3 for the storage of encryption keys ssl certificates etc. as managed service, should provide managed backup service for HSM Cluster to provide ability of restoration of keys in case of any failure of HSM device

e) Incidence response: Potential Security Threat Investigating Control, Fast and Automated Control for Disaster Recovery and Ransomware Recovery.

3.7.6 Support

a) Basic: 24x7 access to email, chat and phone support to notify and register the incidents 24x7 support for general guidance, Response to be made available within 1 hour for any kind of service / system outage

b) Enterprise Support: Response to be made available within 15 minutes for Business-Critical System outage in addition to the Basic Support.

3.7.7 Monitoring

a) This service may be used to generate insights from of the logs, by running queries against these logs. The service must retain the log for at least 30 days. The monthly price per GB will be discovered. The price includes the prices for data ingestion into the service, data retention and query execution. There will not be any additional cost associated with availing this service.

4. Earnest Money Deposit, Security Deposit and Retention Money

S. No	Type	Amount	Remarks
1	Earnest Money Deposit	Rs. 1,00,000	To be paid during bid submission by online payment through e-Tender Portal **or** through electronic Bank Guarantee (e-BG) through e-Tender Portal (https://tntenders.gov.in) only. Will be auto-refunded from the portal itself, subject to tender conditions, on execution of agreement with the successful bidder.
2	Security Deposit	Rs.10,00,000/-	The successful bidder on receipt of LoA shall need to submit a Performance Security deposit of 10 lakhs in the form of Bank Guarantee till the order value for the given empaneled bidder crosses Rs 2.5 crore. Any further increase or order value, necessary security deposit to be paid at the rate of 4% for the work order for every one crore.

5. Evaluation Process

a) ELCOT shall evaluate the responses of the bidders to this Tender and scrutinize the supporting documents /documentary evidence. Inability to submit the requisite supporting documents / documentary evidence by the bidders, may lead to rejection. The decision of ELCOT in the evaluation of proposals shall be final. No correspondence will be entertained outside the process of evaluation with ELCOT. ELCOT may ask for meetings with the Bidders or may issue in writing/email to seek

clarifications or conformations on their proposals. During the Proposal Evaluation, ELCOT reserves the right to reject any or all the proposals. Each of the Proposals shall be evaluated as per the criteria and requirements specified in this Tender. Tender scrutiny committee constituted by the ELCOT shall evaluate the responses to the Tender and all supporting documents & documentary evidence as mentioned in this section of the Tender. ELCOT reserves the right to check/ validate the authenticity of the information provided in Pre-Qualification/Eligibility Evaluation.

b) The bidder can be a CSP or an authorized partner of the CSP. Each bidder (in case of authorized partner of any CSP) shall be allowed to submit the bid with one CSP only. ELCOT reserves the right to physically verify the office or any document provided by the bidder in the way ELCOT desires.
c) It is mandatory that the list price of CSP Services mentioned in the technical compliance (Annexure 7) should be available on the public domain.
d) ELCOT will empanel the CSPs (in case the bidder is CSP) or only one authorized partner of each CSP.
e) The empanelment of the service providers only for the categories mentioned in Technical Compliance (Annexure 7)
f) Bidder quoting negative discount percentage or rates will be treated as non-responsive and will result in forfeiture of the EMD.
g) Financial bid will be inspected to ensure conformance to the format provided in the tender document. If there is any discrepancy between words and figures in any part of the financial bid, the amount indicated in words will prevail.
h) The bidder shall quote the discount percentage and prices as per the price format given in the Part A and Part B - Financial Bid of this Tender. Alternately, bidder can provide the rates for the list of items available in their empanelment with MeitY.
i) It is mandatory for the Bidder to quote for the categories compute, DR,

DB as a service, Backup, network, storage, security, monitoring, Support service & Migration.

j) Bidder can either fill (Part-A & Part-B) or (Part-B & Part-C). Mandatory services shall be filled in either Part-A or Part-C. As part of financial bid, bidder shall submit a covering letter with mention on the PART (Viz., Part-A, Part-B, Part-C) which was quoted by them along with their payment preference (month/quarter/year). Only that part which was mentioned by bidder would be taken up for evaluation. If Bidder is opting only for Part-A & Part-B, then Part-C can be filled dummy values (for purpose of allowing to upload the BoQ). If Bidder is opting only for Part-C & Part-B, then Part-A can be filled dummy values (for purpose of allowing to upload the BoQ).

k) Part A & Part C: Bidder quoting the highest average discount percentage of mandatory services would be declared as H1 against particular CSP. Bidder(s) who has quoted for a CSP and ready to match the H1 price for that CSP would be empaneled as part of Tender.

l) Part B: Bidder quoting the lowest % would be declared as L1 against particular CSP. Bidder(s) who has quoted for a CSP and ready to match the L1 price for that CSP would be empaneled as part of Tender.

6. Work order

a) The work order will be issued to the empaneled service provider after deducting discount percentage from the CSP list prices (In INR) on that day (on the day of issuing work order) with the addition of prices for the other services as mentioned in financial bid.

b) For large scale project or for extra educational discount, CSP can offer the Extra discount (over the discount price quoted) through its authorized partner to the Government Departments on work orders.

c) The Government Departments procuring service will intimate the CSP in writing regarding any extension in the work order. Extension in the contract would not lead to extension of any of the in-force work orders.

d) Termination of empanelment shall automatically lead to termination or

expiry of all work orders which were issued based on the empanelment.

e) The CSP must complete the obligation of the work order as per the signed contract until the time duration which will be mention in the work order.

7. Payment Schedule

a) Payment to the bidder shall be made in Indian Rupees through account payee cheque/ RTGS on monthly basis.

b) The invoices must be based on work orders (or any amendments thereof) issued by the Department.

c) The invoices shall be raised to the concerned Government departments.

d) The invoices must be based on resources actually consumed and committed.

e) The invoices should be separately generated for each work order for the particular payment period.

f) No advance payment will be made.

g) No claim for interest will be entertained in respect of any payment/deport for the reasons beyond the control of Government Department.

h) The preferred payment cycle shall be indicated by the bidder - Monthly, quarterly and annual payment models are allowed. However, for operational convenience, while placing orders, ELCOT may give preference to the bidders who have given quarterly or annual payment options.

i) The Bidder should provide ELCOT with customised cost calculator with discount price applied either on public URL or an Excel calculator within 3 months. Public URL for prevailing rates should be available during the bid submission.

j) All Taxes as per applicable by Govt. of India from time to time will be deducted from all payments made by the Government Department.

k) LD amount if any shall be adjusted in the Payment due to the bidder by the Department.

8. Exit Management

a) ELCOT intends to use cloud services provided by the cloud service provider for a period of 1 year which may be extended for a period of another 1 years based on mutual agreement. However, ELCOT reserves the right to terminate the contract at any point of time without any explanation by giving 3 months' notice.
b) The bidder shall be responsible for providing the tools for import / export of VMs & content on offline physical storage devices, and shall be responsible for preparation of the Exit Management Plan and carrying out the exit management / transition at no extra cost.
c) In the event of change of accreditation of bidder (Lower accreditation, losing partnership) ELCOT reserves the right to terminate the empanelment.
d) The bidder is responsible for both Transitions of the Services as well as Migration of the VMs, Data, Content and other assets to the new environment and to enable successful deployment and running of application on the new infrastructure including software licenses at no extra cost.
e) The format of the data transmitted from the cloud service provider to the new environment created by ELCOT in TNSDC or any other CSP should leverage standard data formats. On expiration / termination of the contract, Bidder will need to handover complete data in the desired format to the Government Department which can be easily accessible and readable without any additional cost. Data so received should be transportable to any other Public cloud or Tamil Nadu State Data Center.

Annexure - 1 Model Form of Contract

(To be executed on a Rs. 100/- Non-Judicial Stamp Paper bought in Tamil Nadu by the Successful Bidder for Supply of IT Hardware.

The Contract terms and conditions will be communicated to the Successful Bidder at the time of issue of LOA)

(NO FIGURES IN NUMERALS OR WORDS SHALL BE FILLED UP IN THIS SAMPLE FORM AT THE TIME OF SUBMISSION OF TENDER)

This CONTRACT is entered into at Chennai on the .....day of..... (Year) between M/s Electronics Corporation of Tamil Nadu Limited, a wholly owned Government of Tamil Nadu Undertaking, a Company registered under the Companies Act, 1956 having CIN : U27209TN1977SGC007291 , GSTN : 33AAACE1670K1ZU and having its Registered office at 9th Floor, Sigapi Aachi Building, 18/3, Rukmani Lakshmipathi Road, Egmore, Chennai-600008 represented by Thiru/Tmt/Selvi ----------, General Manager (Procurement) on behalf of Managing Director ELCOT and on behalf of End User (herein after referred to as "End User"), herein after referred to as "ELCOT" (which term shall mean and include its Successors and permitted assignees)

and

..... a Company registered under the Companies Act, 1956 and having its Registered Office at ..... represented by Thiru/Tmt/Selvi ----------, Managing Director/ Director/ Proprietary/ Partner hereinafter referred to as the "Successful Bidder /Contractor" (which term shall mean and include its Successors and permitted assignees).

Whereas, ELCOT had floated a Tender vide tender No. **E-ANGADI-ST-SDC-2026-0034** for the Tender for Empanelment of Managed Service Providers (MSP) to provide Cloud services from MeitY empaneled CSPs and the Successful Bidder has been selected in the Tender as per the Terms and conditions of the Tender.

And whereas both parties agree to the following: -

[Tender General, special conditions as amended by corrigendum/ clarified by pre-bid responses to be included here]

And both the parties also agree to the following: -

1. This document on having been signed by both the parties shall constitute a binding Contract between the parties and shall remain in force for a period of **12 months**.
2. Contract shall be extended for further periods as mutually agreed by ELCOT and the Contractor at the same Terms and Conditions including Price.
3. Validity of Bank Guarantee for Security Deposit shall be extended by the Contractor accordingly at its own cost.
4. The following documents shall be deemed to form and be read and construed as part of the Contract.
   a) Tender document
   b) Amendments/ Corrigendum and Addendum issued by ELCOT for the Tender Document
   c) Pre-bid responses
   d) Letter Of Acceptance/Letter Of Award issued by ELCOT and all connected documents including Supply Order/Purchase Order
   e) Correspondence made by ELCOT to the Contractor from time to time during the period of the Contract.

All correspondences to either parties shall be treated served if sent to the following addresses. It shall be the duty of either party to inform any change in addresses to the other party within 15 days of such change.

Definitions:

i. "Bidder" for the purpose of the tender(including the term 'tenderer', 'consultant', 'vendor' or 'service provider' in certain contexts) means any persons or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in a procurement process.

ii. "Bidder from a country which shares a land border with India" for the purpose of this tender means

a. An entity incorporated, established or registered in such a country; or
b. A subsidiary of an entity incorporated, established or registered in such a country; or
c. An entity substantially controlled through entities incorporated, established or registered in such a country; or
d. An entity whose beneficial owner is situated in such a country; or
e. An Indian (or other) agent of such an entity; or
f. A natural person who is a citizen of such a country; or
g. A consortium or joint venture where any member of the consortium or joint venture falls under any of the above. However, there are no restrictions in case of procurement of goods or services from the bidder from those Countries (even if sharing a land border with India) to which the Government of India has extended lines of credit or in which the Government of India is engaged in development Projects.
iii. The "Beneficial owner" for the purpose of (ii) above will be as under:
(1) In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means.
Explanation –
a. "Controlling ownership interest" means ownership of, or entitlement to, more than twenty-five percent of shares or capital or profits of the company;
b. "Control" shall include the right to appoint majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholders agreements or voting agreements.

(2) In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;

(3) In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

(4) Where no natural person is identified under (1) or (2) or (3) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;

(5) In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

(6) An 'agent' for the purpose of this tender is a person employed to do any act for another, or to represent another in dealings with third person.

(7) The successful bidder shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of a 'Contractor' from a Country which shares a land border with India' shall be as detailed in paragraph (ii) above.

Each Bidder shall have to submit the Undertaking as per Annexure 5. Where applicable, the bidder shall have to submit the Certificate of Registration from the Competent Authority.

Annexure - 5 Letter of Undertaking

(Undertaking shall be submitted on the Letter head of the BIDDER and shall be signed by the Authorised Signatory)

Dear Sir,

Sub:	Tender for Empanelment of Managed Service Providers (MSP) to provide Cloud services from MeitY empaneled CSPs
Ref:	1. E-ANGADI-ST-SDC-2026-0034

****

I/We, _____, having our registered office at _____, hereby declare that we have carefully read, fully understood, and examined the entire Tender Document including the Notice Inviting Tender (NIT), Instructions to Bidders, Terms and Conditions, Scope of Work, Technical Specifications, Technical Bid, and Price Bid, and we unconditionally agree to comply with and abide by the same.

I/We further undertake and declare as under:

A. Compliance with GFR Rule – Countries Sharing Land Border

with India

I/We hereby certify that:

a) I/We are not from any country sharing a land border with India, or, if from such a country, are duly registered with the Competent Authority as notified by the Government of India, in accordance with General Financial Rules (GFR), 2017, as amended from time to time.

b) In the event of being declared a successful bidder, I/We shall not subcontract or engage any contractor, supplier, or service provider from a country sharing a land border with India, unless such contractor is duly registered with the Competent Authority, as defined in Annexure–4 of the Tender Document.

c) I/We understand that any violation of this declaration shall result in rejection of our bid and/or termination of contract, in addition to other actions permissible under law.

B. Declaration Regarding Blacklisting / Debarment

I/We hereby solemnly declare and confirm that:

a) Neither I/We nor any of our OEMs have been blacklisted, debarred, or declared ineligible for corrupt, fraudulent, or unethical practices by any State Government, Central Government, Public Sector Undertaking, Statutory Board, or Local Body during the last three (3) years preceding the date of submission of this bid.

b) In the event of any information or declaration furnished herein being found to be false, misleading, or suppressed, ELCOT shall have the right to reject the bid or terminate the contract forthwith without any compensation, in addition to initiating appropriate legal or penal action.

C. Declaration of No Conflict of Interest

a) I/We hereby declare that there exists no actual, potential, or perceived

conflict of interest on our part arising out of any past, present, or proposed contracts, engagements, or affiliations with any Department, Agency, or Organization of the State Government.

b) I/We undertake to immediately disclose any conflict of interest that may arise during the execution of the contract.

c) I/We agree to indemnify and hold harmless ELCOT and/or the End User against all losses, damages, claims, costs, expenses, and liabilities (including reasonable legal and professional fees on a reimbursement basis) arising out of any such conflict of interest.

D. Local Office in Chennai

I/We hereby confirm that:

We have a functional local office in Chennai at the following address: _____,

OR

We undertake to establish a functional local office in Chennai within thirty (30) calendar days from the date of issue of Letter of Award (LoA).

I/We understand and agree that failure to comply with this requirement, or furnishing false or misleading information, shall entitle ELCOT to reject the bid or terminate the contract forthwith without notice or compensation.

E. Compliance with E-Waste (Management) Rules

I/We hereby undertake and confirm that:

a) The OEM/Producer/Importer of the IT hardware offered under this Tender holds a valid Extended Producer Responsibility (EPR) Registration/Authorisation under the E-Waste (Management) Rules, 2016, as amended, and the E-Waste (Management) Rules, 2022.

b) A copy of the valid EPR Registration issued by the Central Pollution Control Board (CPCB) or the competent authority has been enclosed.

c) I/We undertake to ensure collection, take-back, and environmentally sound disposal of the supplied products within Tamil Nadu, in accordance with CPCB/TNPCB guidelines, and to extend full support to ELCOT and its clients at the end of product life.

F. General Compliance with Tender Conditions

I/We hereby declare and certify that:

a) Our Company has not been blacklisted or debarred by any State Government, Central Government, or Public Sector Undertaking during the last three (3) years.
b) Our Earnest Money Deposit (EMD) / Security Deposit (SD) has not been forfeited by any Government authority or PSU during the last three (3) years due to non-performance or non-compliance.
c) All information, statements, and documents furnished by us in this Tender are true, correct, and complete to the best of our knowledge and belief.
d) The Year of Manufacture of all products supplied under this Tender shall be 2025 or later, and no refurbished or reconditioned components shall be supplied.
e) All operating systems and software licenses supplied under this contract shall be genuine, valid, and legally licensed.
f) I/We shall be solely responsible and liable for any disputes arising out of Intellectual Property Rights (IPR) infringement.
g) I/We confirm that we fulfil all eligibility criteria and requirements specified in this Tender and are eligible to be considered for award of contract.

G. Consequences of False Declaration

I/We understand and agree that in the event of violation of any of the above declarations or undertakings, ELCOT shall be entitled to take action under the Tamil Nadu Transparency in Tenders Act, 1998 and Rules made there under, including blacklisting/debarment for a period up to three (3) years, apart from termination of contract and other remedies available under law.
